
The Annual Meeting is Our Most Important Event of The Year

Each summer we hold our **ANNUAL MEETING**. It is very important for each member to make an effort to attend.

The purpose of the meeting is to elect three directors to the nine member board and to report on cooperative activities.

This opportunity for interaction by all members is what separates cooperatives from any other form of business, and we put considerable effort into making the Annual Meeting a positive exchange of ideas.

Prior to the actual day of the Annual Meeting you will receive an official notice in the mail. We also publicize the Annual Meeting in the ***Wisconsin Energy Cooperative News***.

You are cordially invited and heartily urged to attend and participate in your cooperative's business at the Annual Meeting.

We look forward to seeing you there.
