

LINEWORKERS BRING THE LIGHT.

Lineworker Appreciation Day

On April 12, remember to
#ThankALineworker.

WE SALUTE OUR LINEWORKERS!

National Lineworker Appreciation Day is celebrated on April 12 this year. This is a day to express our appreciation to the men that work so hard for us every day. They work all hours of the day, often in dangerous conditions away from their families, going above and beyond to restore power to our members. While we appreciate our lineworkers every day, we commemorate every April to give them the recognition they deserve. Bayfield Electric invites our members to take a moment to thank a lineworker for all the work that they do. If you use electricity, a lineworker has had an impact on your life. When the lights go out, so do they.

In 2021 we celebrate these work anniversaries of our linemen:

Troy Seeger – 28 Years

Frank Polkoski – 26 Years

Ken Koosmann – 25 Years

Keith Klobucher – 22 Years

Adam Waddle – 14 Years

Dustin McKay – 9 Years

Keith Kavajecz – 7 Years

Elliot Powers – 7 Years

Blake Reijo – 4 Years

Matt Tarasewicz – 1 Year

Above left: Kelsey Beaber competes in the 27.3 mile mid-distance race. Above right: Ruth Masloski King hugs Musher Chris Kivi's sled dog, Razy. Left: Matt Kormann competes in the 9 mile six-dog race.

IRON RIVER HOSTS NORTHERN PINES DOG SLED RACE

The Iron River community was excited to host the 3rd Annual Northern Pines Sled Dog Race in February, and Jennifer from the BEC billing department was part of the action. The race started and finished at the beautiful Northern Pines Golf Course and Event Center. Situated in the Bayfield County Forest, the sprint race was an exhilarated downhill run through the golf course entering the Bayfield County Trail system and the Tri-County Corridor. Spectators experienced the excitement of the race from vantage points on event center grounds and along the trail route. This is a free family-friendly event with opportunities to meet the mushers and some beautiful rescue dogs. The event was a huge success, and everyone is already looking forward to next year! —Photos courtesy of JoAnn Jardine with Studio One Photography

CAN YOU HELP US FIND THESE FORMER MEMBERS?

Bayfield Electric Cooperative holds unclaimed funds of people listed below. Such funds will be forfeited and paid to the Wisconsin Cooperative Youth Foundation for educational purposes unless claimed prior to May 7, 2021. Claims may be sent to the Cooperatives' headquarters at P.O. Box 68 Iron River, WI 54847 or by calling (715)372-4287 or (800)278-0166. Please direct your inquiries to the Capital Credit Department, refer to number following name.

10 TIPS FOR SPRINGTIME ENERGY USE

- 1. Clear the Air:** Open windows to allow fresh (free!) air to circulate.
- 2. Cook Outside:** Enjoy a few hours of sunshine by using your grill or smoker to add festive flavors to meals.
- 3. Search and Seal:** Cracks and spaces let conditioned air outside. Caulk and weather strip to seal leaks to prepare for the hotter temperatures ahead.
- 4. Natural Light:** Open blinds and curtains, and turn off the lights to save energy.
- 5. Be Fan Friendly:** Use ceiling fans to circulate airflow. If your ceiling fans are still in winter mode, switch them so the blades turn counter-clockwise, pushing the cool air down towards you.
- 6. Atmospheric Adjustment:** Remember to adjust your thermostat settings for the milder months ahead. Use a programmable thermostat if you tend to forget to adjust it yourself.
- 7. Tune Up:** Schedule an appointment with your HVAC technician to identify any potential problems with your system.
- 8. Peak Savings:** Think about supply and demand. Plan household chores that require electricity during off-peak hours (when energy demand is low).
- 9. Take Charge:** Consider disconnecting electrical devices you don't use regularly until you need them. Plugged-in devices use energy even when not in use.
- 10. Move Outdoors:** Time spent outdoors offers opportunities to turn off lights, televisions, computers, and home appliances. You'll be more active, have more fun, and save more money.

MONTH OF APRIL

Billing date: April 9, 2021

March usage

Bills due upon receipt:

April 29, 2021

Disconnect day:

April 15, 2021

Energy Efficiency Tip of the Month

Some manufacturers set water heater thermostats at 140 degrees, but most households usually only require them to be set at 120 degrees.

Consider lowering your water heater's temperature to save energy and slow mineral buildup in the heater and pipes.

BOARD BRIEFS

The monthly meeting of the Board of Director was held on March 5 in the Iron River headquarters building. All directors were present.

- The meeting was called to order by President Mark Santikko at 10a.m.
- A safety message was provided.
- The agenda, expenses, and the minutes of the February 2021 meeting were approved.
- Operations Department Report – No new services YTD; the cooperative is expecting another busy construction season this summer.

Diane Berweger, CEO
