

# HEROES IN HARD HATS

On Lineworker Appreciation Day and every day, we salute the power behind your power

National Lineworker Appreciation Day is celebrated on April 10 this year. This is a day to express our appreciation to the men and women who work so hard for us every day. They work all hours of the day, often in dangerous conditions away from their families, going above and beyond to restore power to our members. While we appreciate our lineworkers every day, we commemorate them every April to give them the recognition they deserve. Bayfield Electric Cooperative invites our members to take a moment to thank a lineworker for all the work that they do. If you use electricity, a lineworker has had an impact on your life. **When the lights go out, so do they.**

In 2023 we celebrate these work anniversaries of our linemen:

- Troy Seeger – 30 Years
- Ken Koosmann – 27 Years
- Keith Klobucher – 24 Years
- Adam Waddle – 16 Years
- Dustin Mckay – 11 Years
- Keith Kavajecz – 9 Years
- Elliot Powers – 9 Years
- Blake Reijo – 6 Years
- Matt Tarasewicz – 3 Years
- Braden Stegmann – 1 Year

Lineworker Appreciation Day is April 10

## Energy Efficiency Tip of the Month

This planting season, include energy efficiency in your landscaping plans. Adding shade trees around your home can reduce surrounding air temperatures as much as 6 degrees. To block heat from the sun, plant deciduous trees around the south side of your home. Deciduous trees provide excellent shade during the summer and lose their leaves in the fall and winter months, allowing sunlight to warm your home.
