

Behind Every Lineworker

IS A FAMILY WAITING FOR THEM TO COME HOME SAFE

#ThankALineworker

National Lineworker Appreciation Day

National Lineworker Appreciation Day is celebrated on April 8 this year. This is a day to express our appreciation to the men and women that work so hard for us every day. They work all hours of the day, often in dangerous conditions, away from their families, going above and beyond to restore power to our members. While we appreciate our lineworkers every day, we commemorate every April to give them the recognition they deserve. Bayfield Electric invites our members to take a moment to thank a lineworker for all the work that they do. If you use electricity, a line worker has had an impact on your life. **When the lights go out, so do they.**

In 2024 we celebrate these work anniversaries of our linemen:

Troy Seeger – 31 Years
Ken Koosmann – 28 Years
Keith Klobucher – 25 Years

Adam Waddle – 17 Years
Dustin Mckay – 12 Years
Keith Kavajecz – 10 Years

Elliot Powers – 10 Years
Blake Reijo – 7 Years
Matt Tarasewicz – 4 Years
Braden Stegmann – 2 Years

MEET YOUR CANDIDATES

We have three districts up for election this year. Do you live in one of the districts below? If so, YOUR vote matters!

Meet your candidates:

District 1 – Townships: Orienta, Port Wing, Clover, Bell, Bayfield, and Russell

Russell Bailey
(Unopposed Incumbent)

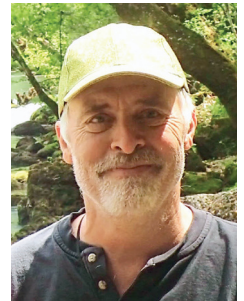

District 7 – Townships: Cable, Namakagon, and Spider Lake

Barry Radloff
(Unopposed Incumbent)

District 4 – Townships: Washburn, Barksdale, Pilsen, Keystone, and Eileen

Roy Settgas (Incumbent) – Roy is completing his first term on the Bayfield Electric Co-op board. He has lived in the Town of Washburn for 40 years and has served on several other boards, including eight years on the Bayfield County Board. He is now “mostly retired” as a self-employed contractor in the mechanical trades—originally trained in solar heating, and expanding into in-floor heating, plumbing, and electrical work. Roy intends to continue working to ensure that Bayfield Electric is open and responsive to its member-owners, and is well-positioned and proactive in the face of the many changes involved in our ongoing transition to carbon-free sources of energy.

Jeffrey Moravchik – Jeffrey has been a financial advisor with Prudential in Ashland for the past 23 years. He was born and raised on a dairy farm in Ino, Wisconsin. He currently lives right next door to the farm he grew up on where they continue to raise beef cattle. Jeff is married to Sarah, who is a physical education teacher at the Ashland Middle School. She also coaches volleyball and track. They have two daughters, Grace, who attends the University of Northwestern, and Ava, who is a sophomore at Ashland High School. Jeffrey’s hobbies include volunteer coaching, farming, hunting, horseback riding, and spending time with his family.

You can participate by mailing in a request for an Absentee Ballot (form on the facing page), and we will mail you a ballot to VOTE! **All ballots must be returned to the auditor’s office by 4 p.m. on Wednesday May 9, 2024.**

ENERGY EFFICIENCY TIP OF THE MONTH

A well-designed landscape can add beauty to your home and reduce home heating and cooling costs. Plant deciduous trees with high, spreading crowns to the south of your home to block sunlight in the summer and reduce the need for air conditioning. Deciduous trees lose their leaves in the winter, allowing sunlight to warm your home.

Plant evergreen trees and shrubs with low crowns to block winter winds. Dense evergreen trees and shrubs planted to the north and northwest are the most common type of windbreak and can help lower energy used for home heating.
